The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for “Wrentham Water Quality Improvements” in fiscal year 2024.

The entity to receive funding for this project is the Town of Wrentham, located at 79 South Street, Wrentham, MA, 02093.

The funding would be to make improvements to the Water supply System Infrastructure, in both quantity and quality. This project is an appropriate use of taxpayer funds because current system presents serious limitations to their current capacities, which can leave the Town very vulnerable in an emergency situation.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JAKE AUCHINCLOSS
Member of Congress
